NOTES

In a world consumed by the externals of beauty, ability, and success, it is odd to prioritize the unseen realities of faith and integrity and the heart. Yet the unseen life is the one that God is most concerned about. Knowing and loving and obeying our Lord, especially when no one is watching and no earthly applause is coming, are the things that please our Master. These naturally take priority in the Authentic Christian Life, as it is preoccupied with making our Master smile.
